

Home is where our story begins

To hundreds of dogs, this place has been *their* home...a home they came to after being lost, forgotten, or left behind. So, here is where their story really begins! At SCARS, they can put their past behind them and begin their new story on 50 rolling acres at the edge of the Kansas Flint Hills.

Who's going to the dance?

May I have this dance?

Tango...

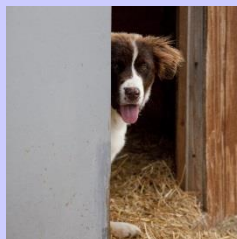

Rhumba

Break dance...

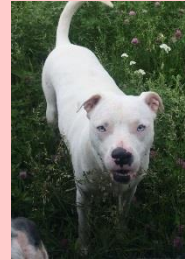

Splash dance...

Wallflower...

Friends of SCARS, Thank you for ...

Your compassion

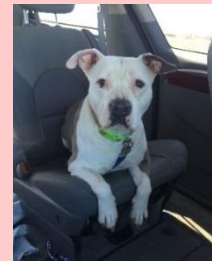

Your support

Donating

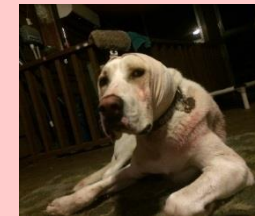

Volunteering

Saving my life

Believing

Everything!

Thanks for taking me home...

A Few Of Those You Have Helped...

Thanks for caring

Joy in threes

Juliet then...

Juliet now.

Rusty

Laughing with the dogs

We remember Pepe...
